Order.

The Government of India in the Ministry of States have considered the question of making suitable arrangements for the issue and renewal of arms licences under the Indian Arms Act, 1878 in respect of Mysore, Travancore, Cochin and Sandur States in view of the disappearance of the Residents, who were formerly exercising these functions. They consider it desirable that the District Magistrates of this Province at convenient locations, to be nominated by this Government, should exercise these functions. They are of the opinion that there is no need to authorise these District Magistrates specifically for this purpose; because the authorities mentioned in Rule 33 (1) (b) of the Indian Arms Rules can issue licences to persons resident in Indian States. The Government of Madras have accepted the proposal of the Government of India.

2. District Magistrates of the districts mentioned in column (2) of the statement below are accordingly requested to grant or renew licences for arms, ammunition etc. in respect of persons residing in the States mentioned against them in column (3) of the statement.
